The first workshop planned tonight during Earth Week in Hoboken will take place in a different location.

A workshop on urban agriculture and composting hosted by Sustainable Jersey City and Committee will now take place at at 301 Garden St. in HOPES' auditorium.

A previous release listed the address as 124 Grand St.

There is a suggested \$10 donation for those attending.

Several educational workshops are planned this on a variety of topics to provide residents with an understanding of how environmental awareness can affect their everyday lives. leading up to the city's first Green Fair.

A full listing of events this week is [available on the city's website](#).
