As co-Chair of Sustainable Jersey's Arts and Creative Culture Task Force, Donna Drewes, helped dozens of New Jersey communities pursue creative placemaking. You will also help support **New Jersey Creative Placemakers**, a new network for people who want to make communities in the state better through arts and culture. Your donation will help us offer more free and low-cost events and build a community of creative placemakers in Jersey. Tickets are \$30 each.

New Jersey Creative Placemakers, an initiative of The National Consortium for Creative Placemaking and PlanSmart NJ, is made possible by the National Endowment for the Arts, New Jersey State Council on the Arts, and the Geraldine R. Dodge Foundation.

Going to **Thriving Together**, the Creative Placemaking Leadership Summit? Your ticket to the reception is included. To register for the event, go to artsbuildcommunities.com/cpls17
