Empowering Change

The Sustainability Summit is a unique opportunity for change-makers across political, private and public sectors to connect on the most pressing issues we are currently facing, from making our communities more resilient to climate change, to reducing our community carbon footprints, to ensuring equitable access to resources for all, and more.

Join us for an inspiring day of networking and learning that will equip you with fresh ideas and new partners.

EVENT HIGHLIGHTS

16 SESSIONS & 2 DROP IN COACHING SESSIONS

will provide a chance to learn new skills and strategies for implementing actions and digging deeper into existing tools to make your sustainability projects a success!

NETWORK with mayors, municipal and school district staff, environmental commission and green team members together with state agency and non-profit employees, academics and businesses. Cash bar happy hour following.

SUSTAINABILITY EXHIBIT will connect you with the businesses, organizations and agencies to help you achieve your sustainability efforts. Learn about new products and services hitting the market to bring back to your community.

*Businesses & organizations interested in exhibiting should contact Heather Camp at camp@tcnj.edu, 609.771.2831.

WHOVA EVENT APP will provide you with exclusive access to important event details, real-time organizer updates, and unique networking opportunities with other attendees & speakers before and during the event with the free, mobile Summit Whova event app.
