### Methodology

1. Determined number of commercial and industrial (C&I) properties based on 2021 Department of Community Affairs tax data
2. Determined number of Direct Install (DI) projects based on NJCEP and PSEG data from program inception through 2021
3. Divided number of DI projects for each municipality by number of C&I properties to get current participation rate
4. Determined 5% rate based on number of NJDCA C&I properties
5. Subtracted total number of completed DI projects from 5% rate to identify number of projects still needed to reach 5%
