

ATLANTIC CAPE MAY hub

AMPLIFYING IMPACT

The Atlantic-Cape May Regional Hub is an alliance of Green Teams that share an interest in working together to promote a regional & collaborative approach to sustainable initiatives.

CONNECTING GREEN TEAMS

HOW DOES THE HUB WORK?

Information, resources and events are shared online. Steering committee members organize meetings & events throughout the year to bring people together to learn and network.

ANYONE CAN PARTICIPATE!

You don't need to have a Green Team or be a member of a municipal team to get involved. The Hub welcomes anyone looking to learn and work toward positive local change.
