Gary Sondermeyer

Bayshore Recycling
Chair, Sustainable Jersey Waste Management Task
Force

Sustainable State Goals in Waste

- **Solid waste** generation is maximized.
- **Reuse and recycling** of waste generate are maximized.
- The production of **hazardous waste** is minimized, and that which is produced is disposed of in ways that are safe for humans and the environment.
- There is an **equitable distribution** of the impacts on human health of all forms of toxic pollution and waste disposal.

Sustainable Jersey Waste Management Actions

- The most heavily used action area along with Energy.
- Pilot area for developing Gold Star Standard.

Current Actions		
Prescription Drug Safety & Disposal	Household Hazardous Waste	Materials Reuse Program
Recycling and Waste Reduction Education & Compliance	Non-Mandated Materials Recycling	Pay-As-You-Throw Program
Commercial & Institutional Recycling	Recycling Depot	Reusable Bag Education Program
Community Paper Shredding Day	Backyard Composting Program	Waste Audit of Municipal Buildings or Schools
Construction and Demolition Waste Recycling	EPA WasteWise Partner	
Food Waste	Grass – Cut It and Leave It Program	

Today's Session

- **Framing the Gold Standard in Waste**
 - Gary Sondermeyer, Bayshore Recycling
- **Pay-as-You-Throw in Action**
 - Len Resto, Councilman, Chatham Borough
- **2Good2Waste Exchange**
 - Mary Jerkowicz, Ocean County; Norm Ruttan, iWasteNot Systems
- **Recycling Education (the Carrot Approach)**
 - Elyse Barone, Recycling Coordinator, Sayreville Borough
- **Recycling Enforcement (the Stick Approach)**
 - Ron Lotterman, CRP, CPWM, Fair Lawn Borough

Framing the Gold Star Standard in Waste

Gary Sondermeyer
Bayshore Recycling

Recycling Rate

- High bar standard of historic achievement in recycling over time.
- Achievement of Silver Certification required before awarding Gold Star.
- Requirements
 - Document **65%** total waste stream recycling rate
 - Document **55%** municipal waste stream recycling rate
 - NOTE: Rates are averaged over three years & are *exclusive of leaves*

Waste Reduction

- Municipalities must demonstrate a reduction in total solid waste generation of at least **2%** per year for 3 years (6% total).
 - 2015 Mercer County Characterization Study shows waste reduction trend over last 10 years.
 - NJDEP statewide data shows slight reduction trend since 2010
- Municipalities must be currently approved for a total of **four** Sustainable Jersey actions:

Four Required Actions

- Household Hazardous Waste Disposal
- Prescription Drug Safety and Disposal
- Commercial and Institutional Recycling
- Recycling and Waste Reduction Education and Compliance

Waste Reduction

Actions Contributing to Goal	% Reduction
Pay-As-You-Throw Program	14-27%
Grass - Cut It and Leave It Program	3-5%
Recycling and Waste Reduction Education and Compliance	1-10%
Backyard Composting Program	1-5%
Materials Reuse Program	1-5%
Reusable Bag Education Program	0-1%

Household Hazardous Waste (HHW)

- Creation of permanent HHW collection programs vs. periodic (quarterly) collection
- Must have municipal convenience center or drop off location or “otherwise provide for collection” via shared services agreement or use of private facility
- Must commit to collect at least 4 HHW materials
 - Sample county inventory (of 25 town county)
 - 24 out of 25 have convenience center
 - 15 collect used motor oil
 - 12 car batteries
 - 11 eWaste
 - 9 rechargeable batteries
 - 8 paint
 - 7 anti-freeze
 - Other materials include florescent bulbs, pesticides, others agreeable to program

Recycling and Waste Reduction Education and Compliance

- Variable point action (15 & 20)

15 Points	20 Points (required for Gold)
1. Adoption of compliance & enforcement ordinance	1. Purchase, implement & promote recycling app
2. Develop compliance & enforcement strategy	
3. Implement & document program enforcement	
4. Acceptable materials flyer (visual depiction of what's recyclable)	
5. Quarterly messaging on recycling policies (2 print; 2 social media or other digital)	
6. Twice yearly messaging on waste reduction strategies & importance	

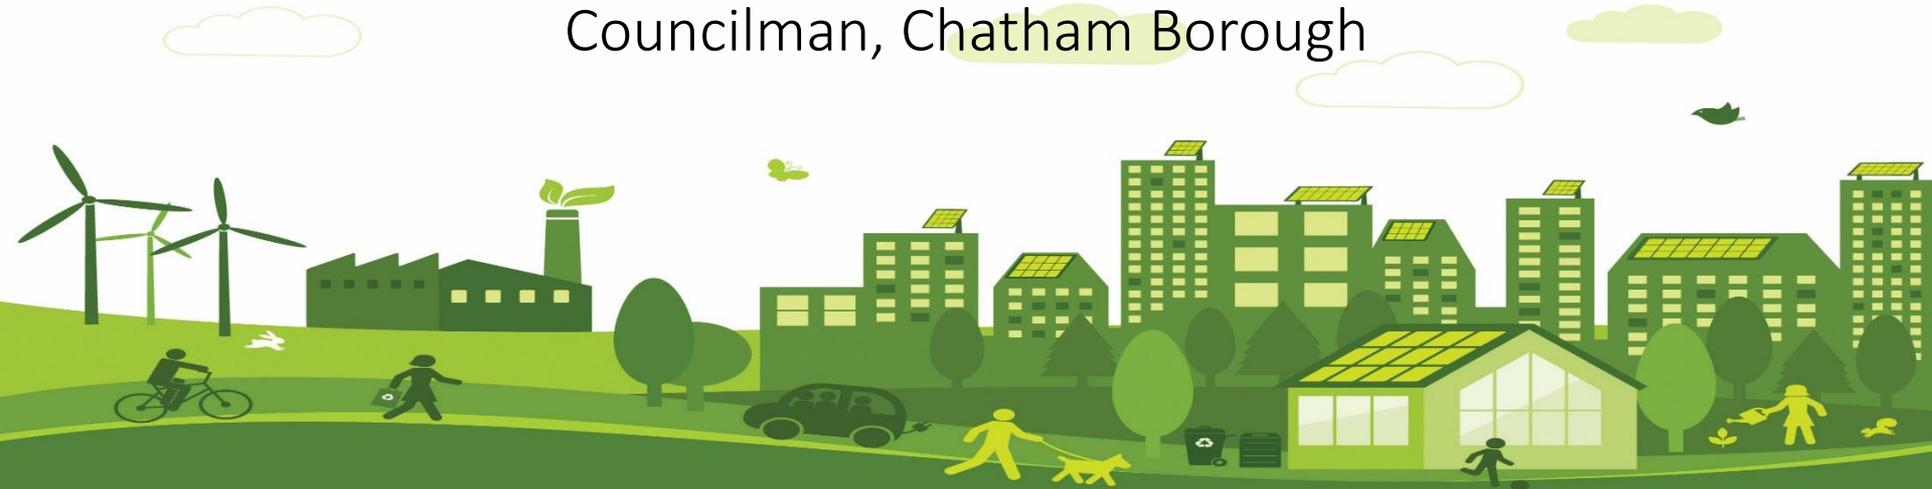

Pay-As-You-Throw in Action

The Equitable Way to Fund Trash Collection Costs & Enhance Recycling

Len Resto

Councilman, Chatham Borough

Why?

- Trash collection was included in property taxes
- Environmental Commission in 1991 studied issue and recommended the “Pay as you Go” program as:
 - Being more equitable
 - Would force recycling
 - Good for the environment
- **Program begun in 1992:**
 - Newspaper coverage
 - Annual Mayor’s message with tax bills announcing program
 - Announced in Borough calendar
 - Information left at key areas, e.g. Library, train station, businesses.

The Reception

- Initial grumbling over the cost of the bags
- However, residents saw a drop in property taxes to offset new method
- Residents came to understand “Pay as you Go” WAS more equitable:
 - If you waste more, you pay more;
 - If you waste less, you pay less
 - YOU are in control
- Initial recycling required separation of items; but, residents complied and recycled as if already a habit

Surprise!

This

Not this

Hello, New Resident- We Do Things Differently Here!

SOLID WASTE SYSTEM OVERVIEW

HOUSEHOLD SOLID WASTE

Twice per week collection.

Route A - Mondays and Thursdays / Route B - Tuesdays and Fridays

Mandatory PAY AS YOU THROW system: 30 gallon and 15 gallon bags. Bags placed at curb must be secured to prevent spillage. **OFFICIAL GREEN BAGS** are available at Kings Super Market, Dreyer's Lumber and Shop Rite (Chatham Township).

Bags must be placed at curb prior to 6:00 am on the day of pickup, but not before 5:00 pm the night before pickup. Containers must be removed by 7:00 pm on the day of collection (Ordinance 233-1).

Bags may be placed at the curb in a can to avoid animal problems.

BULK PICKUP

The bulk pickup monthly collection will always be Thursday and Friday of the same week.

Please check the monthly calendar for scheduled dates.

Acceptable items: Household appliances (must have Freon removed), furniture, carpeting, luggage and other oversized items too big to fit in a green bag.

One 32 gallon **CAN** of rubbish may be placed at the curb for pickup.

Rubbish in bags is NOT acceptable unless in green bags.

Rubbish is defined as items such as shoes, baskets, flower pots, etc.

Unacceptable items: Recyclables, hazardous waste, medical waste, car parts, tires, concrete, large amounts of wood or pieces in excess of 5 feet by 2 feet in size, construction debris, cement blocks, windows.

Missed Solid Waste or Bulk Pickup?

| EDGEHILL AVENUE | MAPLE STREET | WALNUT STREET |
| EDGEWOOD ROAD | MEADOWBROOK ROAD | WASHINGTON AVE (#34-272) |
| ESSEX ROAD | MERCER AVENUE | WATCHUNG AVENUE |
| FAIRFAX TERRACE | OAK DRIVE | WILLOW STREET |
| FAIRMOUNT AVENUE | OLIVER STREET | WOODLAND ROAD |
| FAIRVIEW AVENUE | ORCHARD ROAD | WOODS LANE |
| FULLER AVENUE | OVERLOOK ROAD | |
| GIRARD AVENUE | PENN TERRACE | |

The Rationale

- If the total cost of waste disposal is included in the tax rate; it's not equitable
- What's fair?
 - If you produce less trash, you should pay less
 - If you produce more trash, you should pay more
- Financial incentive for all to recycle, lessens the volume of material sent to landfills or incinerators
 - Residents control how much they pay for trash collection services
- Chatham Borough has “single stream” recycling and is currently in a test pilot for recycling plastic supermarket bags

"I've Never Recycled Before" "How To"

CURBSIDE PICKUP EVERY FRIDAY except Holidays
PLACE ITEMS AT CURB BY 6 AM THE DAY OF COLLECTION

RECYCLING "HOW TO"

RECYCLING DEPOT 90 Summit Avenue
OPEN SATURDAYS 9 AM – 12 PM ONLY

HOW TO RECYCLE: The "all-in-one" single stream recycling collection program allows all of the items listed in the box below to be mixed together, in the same container, for recycling. Place recyclables at the curb in reusable containers (no plastic bags, except shredded paper). Please remove all caps and lids, recycle loose metal lids. Bottles, cans & boxes must be empty and free of food residue. Recycling containers must have handles and lids. There is a 50 pound weight limit. A 32 gallon container is recommended. If necessary use multiple containers.

WHAT TO RECYCLE

- Aluminum food & beverage containers, clean aluminum foil, pie plates & trays
- Glass bottles & jars
- Steel (tin) cans
- Plastic bottles & non-bottles **coded PET #1, HDPE #2, LDPE #4, PP #5, and Other #7**
- Paper juice, broth, milk cartons, frozen food boxes
- Newspaper
- Corrugated cardboard
- Magazines
- Catalogs
- Cereal boxes, tissue boxes, paper towel cores
- Paper bags
- Telephone books
- Printer & copier paper
- Mail
- Office Paper without wax liners
- Paperback books
- Shredded paper **must be in a clear or translucent plastic bag**

MIXING TRASH WITH RECYCLABLES WILL RESULT IN INCREASED COSTS, LEADING TO HIGHER FEES FOR BOROUGH RESIDENTS.
Missed Recycling Pick Up call MCMUA 973-659-3490

Household Hazardous Waste
Contact MCMUA Household Hazardous Waste Facility for disposal
973-631-5109 www.mcmua.com

- | | |
|---|------------------------------------|
| Rechargeable batteries (button cell & lithium) | Propane cylinders |
| Florescent light bulbs, including CFLs containing mercury | Car batteries |
| Thermometers, thermostats containing mercury | Paint thinners & removers |
| Aerosol cans | Gasoline (in certified gas cans) |
| Pesticides, herbicides, fertilizers | Diesel fuel |
| Oil-based paints, stains, varnishes and lacquers | Motor oil |
| Fire extinguishers | Automotive fluids |
| Pool & photographic chemicals, including chlorine | (brake, transmission & antifreeze) |
| Polish & nail polish remover (acetone) | Kerosene |

Textiles

Deposit in bin at Recycling Depot

Electronic Equipment

TVs, computers, printers, scanners, monitors, keyboards, mice, wire, fax machines, DVD players, stereos, telecommunications equipment, main frames, speakers, VCRs. Ink cartridges from fax machines, printers and copiers. **Accepted at Chatham Borough Recycling Depot**

UNACCEPTABLE ITEMS

Styrofoam containers (including egg cartons and packing "peanuts")

Place in trash (some shippers accept packing "peanuts")

Plastic Bags

Some grocery stores have bins for recycling plastic bags

Metal Pots & Pans

Place in trash

Mirrors, auto glass, light bulbs, glass cookware/bakeware, ceramics, porcelain

Place in trash

Alkaline, Zinc Chloride batteries (not hazardous).

Place in trash

Hard cover books (readable condition)

Check www.newlegacybooks.com for drop off locations

MCMUA Household Hazardous Waste Facility

Mount Olive Transfer Station

168 Gold Mine Road, Mount Olive

973-631-5109 - for questions or an appointment ; www.mcmua.com

Drop-Off Hours: BY APPOINTMENT ONLY,

Tuesdays and Fridays: 9 to 11:30 am; Saturdays: 8 to 10:30 am

Periodic weekend disposal events; check www.mcmua.com

Fees charged for some items, payable BY CHECK ONLY.

Small businesses and organizations with household hazardous waste to

dispose of should contact the MCMUA at 973-631-5109.

Electronics accepted at Chatham Borough Recycling Depot, Summit Avenue between Ogden Street and Fern Avenue

How Does This Work?

- **Fixed Costs:**

- Fixed costs fee of \$177 per residential unit
- Fixed costs fee of \$202 per commercial unit

- **Variable Costs:**

- 10 bag supply of 15 gallon green bags: \$7.10 (.71/bag)
- 10 bag supply of 30 gallon green bags: \$13.60 (\$1.26/bag)

- **Availability:**

- Kings Supermarket- center of town
- Dreyer's Lumber- southeast end of town
- Shop-Rite of Chatham Township- Shunpike Road, many residents grocery shop there.

How Does This Work?

- **How much can I put at the curb?:**
 - Bags are very sturdy; do not require a container
 - Can place as many bags as you wish, there is no limit for collection.
 - Approximately 25% of residents do use containers
- **Enforcement:**
 - No issues! Trash collectors will report a recycling violator if jars, bottles and plastic containers rattle or are seen through the translucent bags. 1st summons is \$50. None reported in last 10 years.
 - No reason for a neighbor to place bags in front of someone else's home. If there is a missed pick-up, one phone call solves the problem.

What's Recycled?

- 2014 Single Stream recycling breakdown:
 - Cardboard 20.7%
 - Other Paper: 30.5%
 - Glass: 27.5%
 - Other Residue 9.1%
 - Plastics: 8.1%
 - Steel: 2.6%
 - Aluminum: 0.9%
 - Scrap Metal: 0.6%

Before & After

- Single stream recycling means no sorting of paper, cardboard, bottles, etc.
 - Our “back of the envelope” calculation: recycling up by 15%
- Curbside service 1x week. Recycling depot open on Saturdays
- Single Stream dramatically increased Chatham Borough’s recyclables
- Single Stream has allowed Chatham Borough to lead Morris County in terms of percentage recyclables

Before & After by the Numbers

Year	Chatham Rank in Morris County	Chatham Borough %	Morris County Average %
2004	6 th	50.1%	36.4%
2009	4 th	61.7%	44.2%
2010	7 th	57.4%	45.3%
2011	7 th	62.6%	47.8%
2012	1 st	80.5%	49.2%
2013	1 st	78.5%	49.2%
2014	1 st	72.8%	49.8%

Source: MCMUA statistics

What About Big Stuff?

- **Bulky Rigid Plastics:**
 - Must be brought to the Recycling Depot
 - Includes rigid playground toys, plastic patio tables & chairs, laundry baskets, etc.
- **Other Bulk Items:**
 - DPW collects the 1st Thursday of each month
 - Bulk items include:
 - Items of furniture- within reason
 - Small pieces of lumber
 - Appliances- Freon removed & doors removed
 - Luggage
 - Items too big for the green bag (with exceptions such as tires, televisions, electronics)
 - Electronics need to be brought to the recycling depot

Plastics: How Big is Big?

Large Rigid Plastics Recycling

Only at Recycling Center—Not for Curbside Collection

There is a great new opportunity for you: [the recycling of large rigid plastics.](#)

What are large rigid plastics? They are harder and thicker plastics than the plastic bottles you have been recycling. Large rigid plastics will be baled and sold to manufacturers who recycle them and make new products.

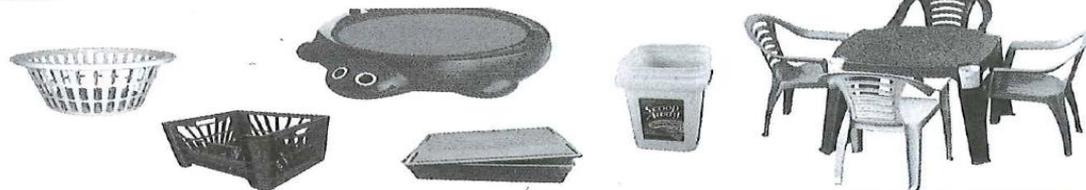

How do I recycle large rigid plastic items? Large rigid plastic items are NOT acceptable for curbside collection. They are acceptable only at the Recycling Center. Carefully read the signs on the large rigid plastic items container before putting anything into that container. (See sample signs to the right.)

Important: Do not put large rigid plastics into any recycling center containers designated for bottles, cans, paper or single-stream recyclables.

May I recycle small rigid plastic items at curbside? Yes, if they can fit inside your curbside recycling bin. Large rigid plastic items are not accepted at curbside and must be recycled at the town's recycling center.

Acceptable Items:

- Large plastic toys
- Laundry baskets
- Soda & milk crates
- Plastic pet carriers
- Kitty litter buckets
- Plastic storage containers
- Plastic garbage & recycling containers
- Empty & dry plastic paint cans
- Plastic shelving
- Plastic outdoor furniture without PVC pipes
- 5-gallon buckets without metal handles
- Children's car seats without safety straps & foam padding

Rigid Plastics Recycling For Large Items:

- Large Toys
- Laundry Baskets
- Soda & Milk Crates
- Plastic Pet Carriers
- Kitty Litter Buckets
- Plastic Storage Containers
- Garbage / Recycling Containers
- Empty & Dry Plastic Paint Cans
- Plastic Outdoor Furniture Without PVC Pipes
- 5-Gallon Buckets - Remove Metal Handles
- No Other Types of Plastic**

Provided by the Morris County Municipal Utilities Authority. www.mcuajerk.com

Unacceptable Items - Do not recycle with large rigid plastics

- Plastic bottles & metal cans
- PVC # 3
- Polystyrene (Styrofoam) # 6
- Flower pots & trays
- Bags
- Computers & electronics
- Electric appliances
- Electric toys
- Battery-operated items
- Metal—remove from items
- 55-gallon drums
- Liquids
- Chemical or motor oil containers
- Coolers
- Tool boxes
- Wheels—remove from items
- Tires
- Water hoses
- Vacuum hoses
- Drain pipes
- Plastic sheets or film
- Vinyl siding
- Fiberglass
- Rubber items
- Cardboard & other paper
- Wood
- Glass
- Dirt, rocks, mud
- Medical or hazardous waste
- Clothing
- Garbage

Unacceptable Items:

Do not put the following into the Rigid Plastics Container:

- PVC # Polystyrene (Styrofoam) # 6
- Flower Pots • Flower Trays
- Computers • Electric Appliances
- Electronics • Electric Toys
- Battery-operated Items
- Chemical or Motor Oil Containers
- Coolers • Tires • Tool Boxes • Wheels
- Water Hoses • Vacuum Hoses • Drain Pipes
- Vinyl Siding • Fiberglass
- Bags • Rubber Items • 55-Gallon Drums
- No Small Plastic Containers or Bottles**
- No Dirt • No Garbage**

www.mcuajerk.com

What Are We Doing Now?

- At the recycling depot, (non-curbside) we collect:
 - Electronics- small
 - Textiles
 - Printer ink cartridges
 - Bulky rigid plastics
 - Current pilot program for supermarket plastic bags
- Borough sponsors a “bulk day” pick-up by our DPW the 1st Thursday of each month

Thank You!

- For questions/comments:
 - Contact Ms. Janice Piccolo, Director, Community Services at
 - ❖ Janice Piccolo at jpiccolo@chathamborough.org or 973-635-0674, ext. 200
 - ❖ Len Resto, Councilman, Chatham Borough at lresto@chathamborough.org or 973-635-5373
- Questions? Thank you for your attention!

2Good2Waste Exchange

Mary Jerkowicz, Ocean County
Norm Ruttan, iWasteNot Systems

2Good2Waste

Ocean County Department of Solid Waste Management

2Good2Waste is an internet based waste exchange program launched in May, 2011.

Ocean County is the first and only in New Jersey to launch **2Good2Waste**

2Good2Waste will play a primary role in promoting reuse of materials.

Free Service - limited to Ocean County residents. You can create free listings for 'wanted' and 'available' items.

\$99.00 maximum on anything to be sold.

No money exchanged between the County and the members. Strictly an exchange between interested parties.

Some common items exchanged are furniture, bicycles, exercise equipment, appliances, toys, TV's, stereos, treadmills and lawn mowers.

A good way to promote local community events such as community yard sales, community clean ups, and environmental festivals.

Very easy to sign up as a member and post a listing.

Each new listing goes to the exchange administrator for approval so nothing inappropriate will be posted. The administrator sets the parameters.

Ocean County 2Good2Waste Home Page

The screenshot shows the Ocean County 2Good2Waste website interface. At the top, there are navigation links for '2Good2Waste', 'Recyclopedia', and 'REUSE MARKETPLACE'. A search bar is present with the text 'Press F11 to exit full screen'. The main header features the '2Good2Waste' logo and the text 'Ocean County, NJ'. Below the header are four small images representing different waste management or recycling activities.

The main content area is divided into several sections:

- Sign In:** Includes fields for Email and Password, a Submit button, and a 'Remember Me' checkbox. A link for 'Don't have a Password?' is also present.
- Search:** Features a search input field, a 'Find It' button, and dropdown menus for 'Available' and 'Ocean County'. A 'Search Tips' link is provided.
- Navigate:** Lists various site sections: Home, News and Info, Directories, Links, Help, Listings (highlighted), and Categories.
- All Listings:** A table displaying various items for sale or exchange. The table has columns for Photo, Title, Price, and Posted.

Photo	Title	Price	Posted
	Electronic Cash Register	\$80.00 total	Apr 07, 17
	File Cabinet	\$10.00 total	Apr 04, 17
	Black Leather coat	\$50.00 total	Apr 01, 17
	Dark Brown Leather Coat	\$50.00 total	Apr 01, 17
	Maple Kitchen Set	\$65.00 total	Mar 24, 17
	6-Panel Table Top Exhibit	Free	Mar 20, 17
	Shopping Baskets/Carts	Free	Mar 07, 17
- Exchange Info:** States 'Your exchange administrator is: [Mary Jerkovicz](#)'. It also lists statistics: 'Our Exchange has: 5 New Listings, 94 Total Listings, 707 Members, 82 Exchanges'.
- Sponsors:** Features the 'Ocean County Recycles' logo and the 'Ocean County New Jersey' seal.

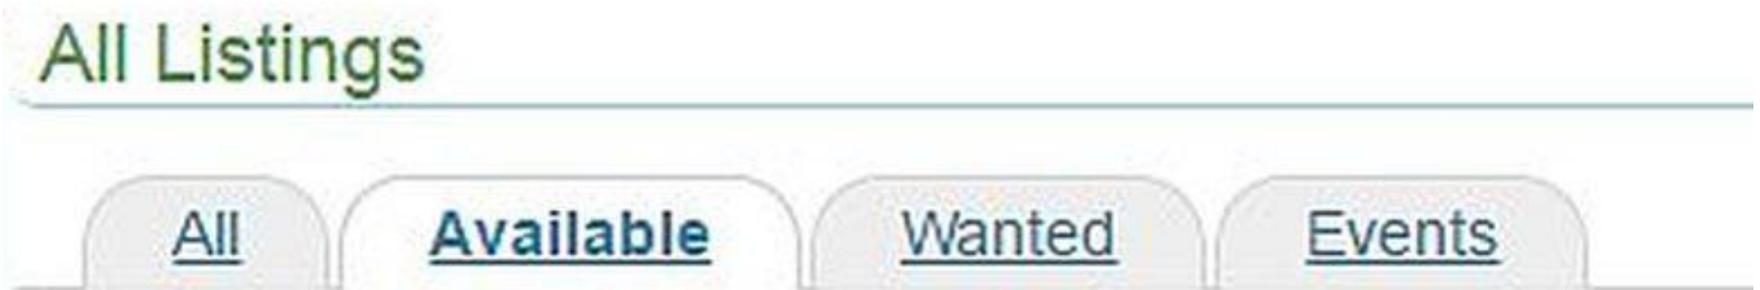

- 3 separate services tabbed along the top

Recyclopedia Community Directory & Guide to Reuse & Recycling

- Index 1000+ item library available. List of title view.

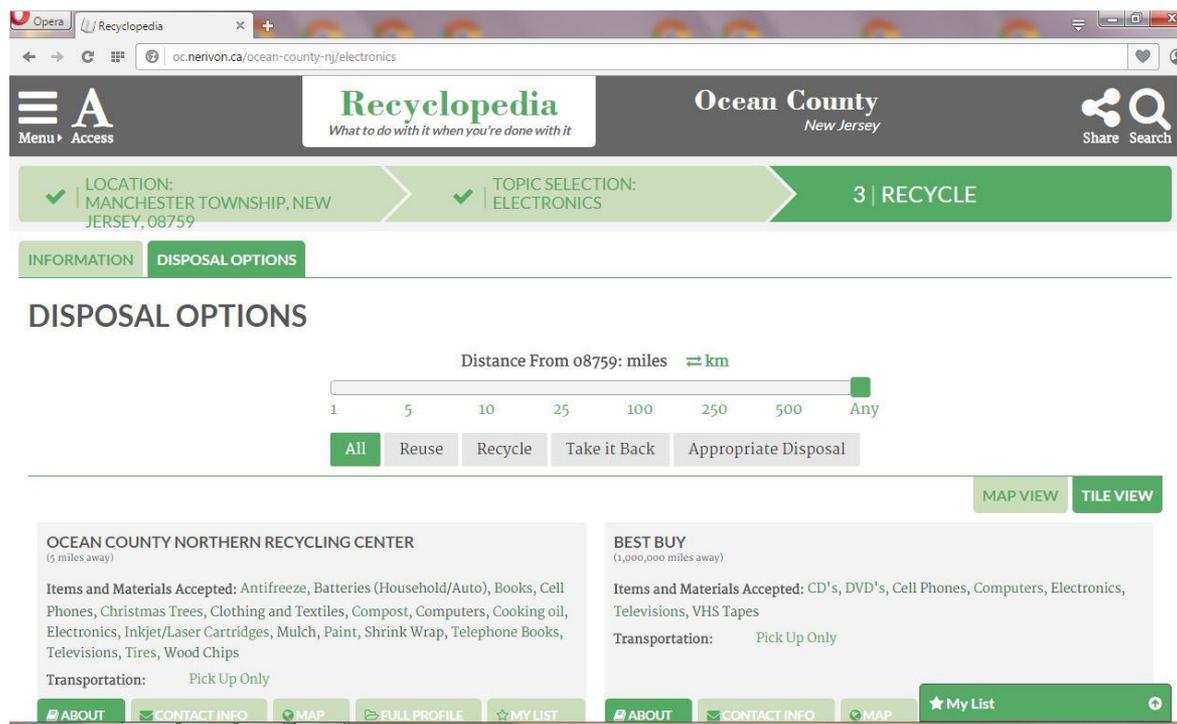

- Guide provides information on what to do with it, why, what happens to it when you reuse or recycle it

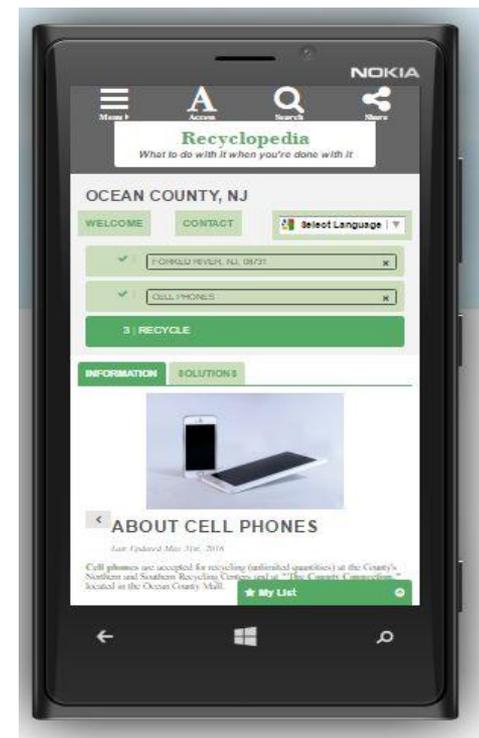

The screenshot shows a web browser window displaying the Recyclopeda website. The URL is oc.nerivon.ca/ocean-county-nj/electronics. The page header includes the Recyclopeda logo with the tagline "What to do with it when you're done with it" and the Ocean County New Jersey logo. Below the header, there are filters for "LOCATION: MANCHESTER TOWNSHIP, NEW JERSEY, 08759" and "TOPIC SELECTION: ELECTRONICS", leading to a category "3 | RECYCLE". The main content area has tabs for "INFORMATION" and "DISPOSAL OPTIONS". The "INFORMATION" tab is active, showing a section titled "ABOUT ELECTRONICS" with a back arrow and the text "Last Updated November 5th, 2015". The text states: "The Ocean County Northern and Southern Recycling Centers accept CD and DVD players along with stereos, VCRs, fax machines, computers and computer components and TV's. These items also can be posted on the 2Good2Waste Ocean County exchange if they are still in good condition or someone may wish to repair them. You can also try donating them to charitable organizations listed below". To the right of the text is an image of various electronic devices on a cart. Below the image is a "TAGS" section with a link to "Electronics". The footer contains navigation links: "Home", "About Us", "Contact Us", "Get Listed", and copyright information: "Copyright © iWasteNot Systems. All Rights Reserved." with the iWasteNot Systems logo. A "My List" button is visible in the bottom right corner.

- Diversion/disposal options with details and distances (from you)

The screenshot shows the Recyclopedia website interface. At the top, there is a navigation bar with the Recyclopedia logo and the text "Ocean County New Jersey". Below this, a search bar shows the location "MANCHESTER TOWNSHIP, NEW JERSEY, 08759" and the topic "ELECTRONICS", resulting in "3 | RECYCLE" items. The main content area is titled "DISPOSAL OPTIONS" and includes a distance filter set to "1" mile. Below the filter, there are buttons for "All", "Reuse", "Recycle", "Take it Back", and "Appropriate Disposal". Two results are displayed: "OCEAN COUNTY NORTHERN RECYCLING CENTER" (5 miles away) and "BEST BUY" (1,000,000 miles away). Each result lists accepted items and transportation options. At the bottom, there is a footer with navigation links like "ABOUT", "CONTACT INFO", "MAP", "FULL PROFILE", and "MY LIST".

A Word about App Widgets

- A widget is a stand-alone application that can be embedded into third party sites by any user on a page where they have rights of authorship, e.g. a web.

Final Thoughts

- Zero waste & sustainable materials management & reuse & recycling are associated with **social & economic & environmental sectors**, not just environmental.
- They also extend far beyond what government can do.
- So **zero waste & sustainable materials management needs to be dealt with on a community basis.**
- **Not** just as a function of government and only by the environmental sector.
- We will only achieve real results when we take a holistic approach.
- So our web apps go beyond government and environment to involve the whole community in zero waste.

The mission of the Sustainable Sayreville Collaborative / Green Team is to encourage community partnerships and actions toward making The Borough of Sayreville a more sustainable place to live and work, to implement projects that conserve resources and energy, and create awareness about changes people can make.

It's a time to celebrate the farmers, ranchers and local food producers.

**Recycling
Coordinator
Creates
Unique Design For
2015 Guide**

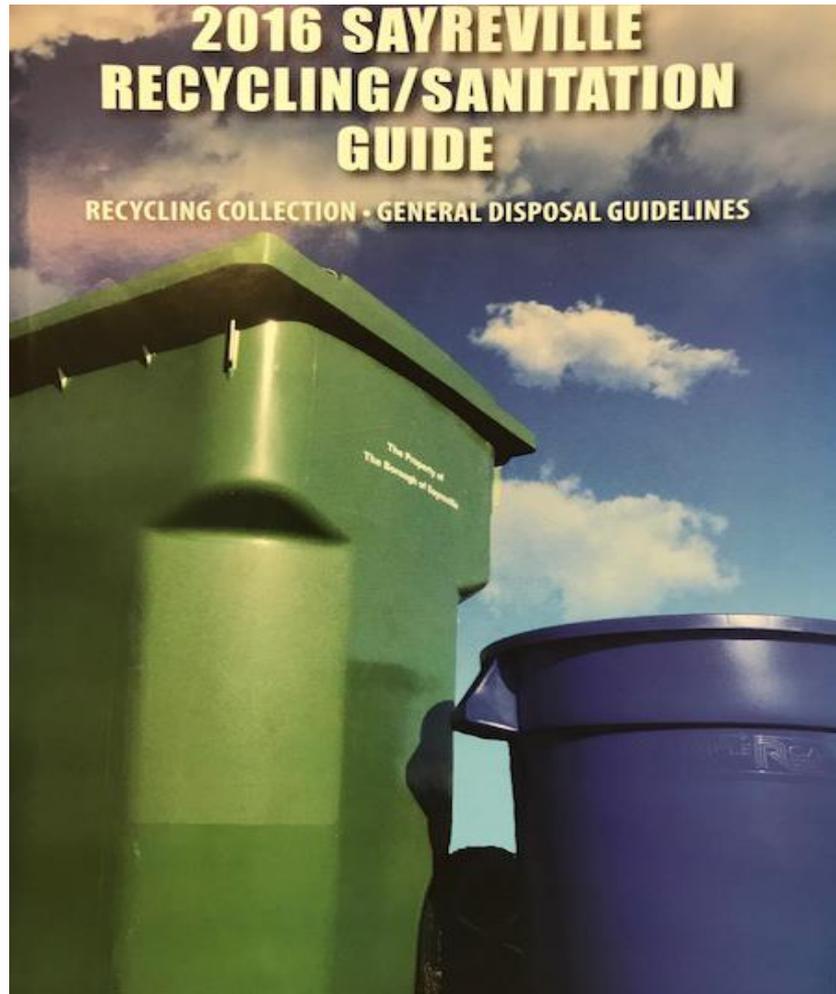

By Clem Skarzynski

Sayreville's Recycling Coordinator, Elyse Barone, CRP, had her "Aha" moment while visiting the Boro's Historical Society. Among the pictures was a photo from 1944, depicting students from the Lincoln School, participating in a Recycling Paper Drive.

Upon further research, Boro Historian Jason J. Slesinski, provided Elyse with the picture she used for her uniquely designed cover for the Boro's 2015 Recycling/Sanitation Guide.

Education with Collaboration

Collaborating with Schools and Community

Educating in the Community

Oscar the Grouch – a great educational tool!

Everybody Loves Oscar

Oscar Makes His Rounds

Recycling Education

- Recycling can be confusing because it differs from community to community and rules about recycling have changed overtime
- It's important to educate people to recycle and make sure you end up with a product, rather than just a waste steam
- Its important to educate people to know how to recycle correctly, but also give them information about how their recycling efforts directly affect their community.

Recycling Education

***Recycling
is a subject
easy
to be passionate
about.....***

Recycling Education

For your community

Recycling Education

\$71,394.00

REDUCING YOUR GARBAGE SAVES YOUR TAX DOLLARS!

If every resident reduced their garbage by 1 pound per week, Sayreville would save \$71,394.00 per year of your tax dollars!

If you recycled more instead of throwing it away, that number could double!

For your municipal officials

Education with Passion

Recycling Enforcement

Ron Lotterman, CRP, CPWM

Fair Lawn Borough

Failure to Recycle?

The Fair Lawn Recycling Division

\$55,000

REDUCING YOUR GARBAGE SAVES YOUR TAX DOLLARS!

Fair Lawn pays a fee for each pound that is thrown away.

If every resident reduced their garbage by 1 pound per week, Fair Lawn would save \$55,000 per year of your tax dollars!

If you recycled more instead of throwing it away, that number could double!

Ways to Save

- *Recycle more
- *Buy in bulk
- *Composting
- *Grass Cut-it-and-leave-it
- *Give away items
 - Freecycle.org
 - Habitat for Humanity 973-782-6996

Call
201-794-5304
to learn how to
reduce your garbage!

Enforcement Purpose

- Obtain compliance from
 - Residents
 - Businesses
- Recycling Education
- Gather Information about your program
- Generate revenue
- Required for NJ Recycling Tonnage Grant

Enforcement Benefits

- Targeted education
- Saves garbage disposal costs
- Increases recycling rate
- Increases recycling revenue
- Opportunity to speak with residents and businesses regarding program
- Helps you better understand problems in your program

Synergies

- Establish partnerships with
 - Garbage hauler
 - Crews notify recycling office of problems
 - Leave recyclables at curb
 - Health Department
 - Code Enforcement
 - Property maintenance violations
 - Building Department
 - Illegal construction

Levels of Enforcement

- What to enforce?
 - Municipal enforces municipal ordinances
 - CEHA enforces County & State laws
 - CEHA can enforce municipal laws upon agreement with the municipality
 - DEP enforces State laws

Ordinance Review

- Review your ordinances:
 - Does it comply with your County solid waste plan?
 - Does it mandate all of the materials in your recycling program?
 - Does it give enforcement powers to the Recycling Coordinator? DPW? The people you have doing enforcement?

Penalties

- Do the recyclables become property of the municipality when placed at the curb? Is the theft of recyclables covered?
- Penalties (fines)
 - Are the penalties adequate for your community?
 - Is there a minimum and maximum penalty?
 - Are there penalty steps for repeat violators?
 - Does the judge have final say in the penalty?

Enforcement Policy

- How do you want your enforcement program to operate?
- Have your policy written so your staff knows it and can refer to it.
- Annually review the policy and update as necessary.

Frequency of Enforcement

- When to Enforce?
 - Recycling days
 - Garbage days
 - After a complaint
 - Spot checks
 - After crew reports problems
 - Random vs. Every day

Enforcement Personnel

- Who is going to enforce?
 - Recycling Coordinator
 - Collection crew
 - Public works
 - Police
 - Health Department
 - CEHA
 - Property Maintenance Inspector

Types of Notification

- Notification
 - Hang tags
 - Barrel stickers
 - Written warnings in door
 - Written warnings mailed return receipt
 - Verbal notice
- Remember to include educational material with the notification

Documentation

- Documentation
 - Keep documentation of warnings issued
 - Track repeat offenders
 - Track types of warnings being issued
 - Helpful for your education program
 - Court evidence
 - System
 - Computer database
 - Paper filing system

Record: 1 of 1 Filtered Search

Borough issued block number for property

Num Lock Filtered 10:52 AM 5/8/2017

Repeat Offenders

- How do you handle repeat offenders?
 - After X number of warnings
 - Formal letter outlining warnings, penalties and corrective action required
 - Educational materials
 - Phone number to call if they have questions

Responsible Party

- Who is responsible?
 - Tenant
 - Landlord
 - Business
 - Property owner
- Establish by Ordinance

Considerations

- Supreme Court decision allows garbage to be searched when it is placed to curb
- Must obtain permission to go on private property
- Multi-family complexes
- Schools
- Garbage on property lines
- Language barriers

Summons Policy

- Check procedure with your municipal court!
 - Summons book
 - Sign as citizen's complaint or officer of the court
 - Court date
 - Day / Night
 - No overtime policy in effect

Evidence

- Investigate
 - Make sure you have all the facts
- Document evidence
 - Take photos
 - Keep evidence such as envelopes with names & addresses
 - Take name, address and phone number of witnesses.

Fair Lawn Enforcement

Year	Warnings	3 Violation Letter	Summonses
2016	247	3	0
2015	619	5	0
2014	567	3	0

Fair Lawn Enforcement

- Yearly numbers change depending on staff available for enforcement
- Average 25 warnings per day in garbage section
- Most warnings are for:
 - Cardboard and metal with garbage
 - Yard waste not properly contained

Violations

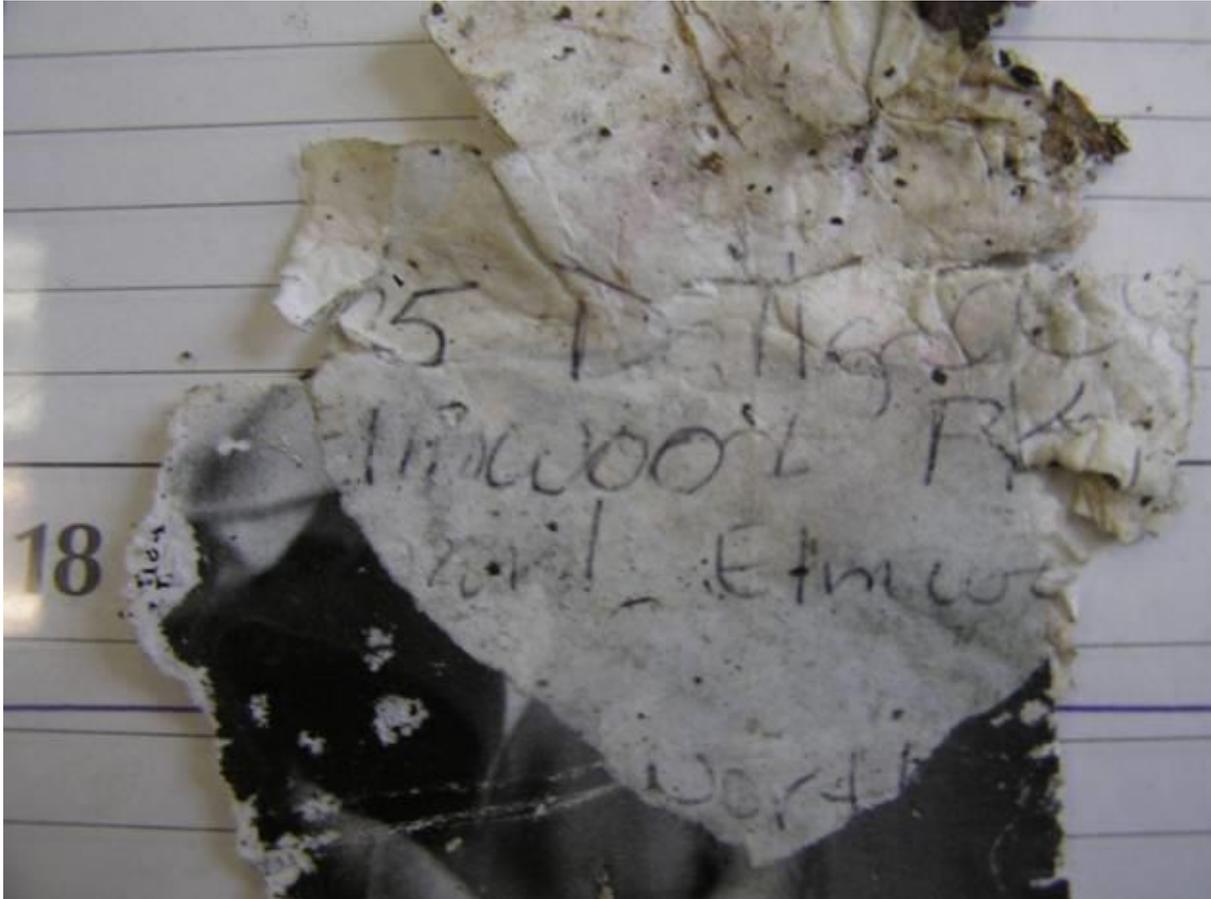

Violations

Violations – Illegal Dumping

Evidence

Multi-Family

Contact
