The Next 10 Years ...

Join Sustainable Jersey and more than 600 change-makers from across the political, private and public sectors, for a day of lively discussions about today's most pressing issues. Sustainable Jersey's marquee event is a unique opportunity to connect and learn from community leaders and experts about their local successes and challenges ... and what works to help you better plan within your own community.

Last year, we had the largest Summit crowd ever and we expect this year to be no different.

Space is limited. Reserve your seat today.

EVENT HIGHLIGHTS

DIG INTO HOT TOPICS

A dozen Sustainability Sessions will give you a deeper understanding of how to use existing tools and resources from Sustainable Jersey and partner organizations. You will learn new skills and strategies for implementing actions related to reducing plastic waste, adding electric vehicles for municipal fleets, developing sustainable energy plans, addressing harmful algae blooms, promoting your successes, advancing equity, managing organic waste, and more.

AMPLE TIME TO NETWORK with mayors, municipal and school district staff, environmental commission and green team members, state agency and non-profit employees, academic and business representatives.

SUSTAINABILITY EXHIBIT RETURNS

Meet the businesses, organizations and agencies that can help you achieve your sustainability goals. Learn about available resources and new products hitting the market.

POST SUMMIT HAPPY HOUR

Wait out the traffic. Join us for a cash bar "happy hour" after the event at Bell Market in the bright and airy Atrium and outdoor lounge (weather permitting).
