Empowering Change

The Sustainability Summit is a unique opportunity for change-makers across political, private and public sectors to connect on the most pressing issues we are currently facing, from making our communities more resilient to climate change, to reducing our community carbon footprints, to ensuring equitable access to resources for all, and more.

Join us for an inspiring day of networking and learning that will equip you with fresh ideas and new partners to take back to your community.

EVENT HIGHLIGHTS

15 SESSIONS & 2 DROP IN COACHING SESSIONS

will provide a chance to learn new skills and strategies for implementing actions and digging deeper into existing tools to make your sustainability projects a success! Get the full session listing at bit.ly/SustainabilitySummit-23.

SUSTAINABILITY EXHIBIT will connect you with the businesses, organizations and agencies to help you achieve your sustainability efforts. Learn about new products and services hitting the market to bring back to your community.

*Businesses & organizations interested in exhibiting should contact Heather Camp at camph@tcnj.edu, 609.771.2831

CONTINUING EDUCATION CREDITS provided for CPWMs, CRPs, CCFOs, CMFOs, RMCs, QPAs, CEFMs.

EV RIDE & DRIVE AND SHOWCASE will include the latest in electric vehicles from dealers and owners across the state. Take one for a spin! Hosted by our friends at DEP & the New Jersey Electric Vehicle Association.

NETWORK with mayors, municipal and school district staff, environmental commission and green team members together with state agency and non-profit employees, academics and businesses. Cash bar happy hour following.
