PROGRAM BREAK OPPORTUNITIES:

Sustainability Exhibit! Learn about available resources and new products hitting the market. Exhibitors will present their sustainability solutions for you to bring back to your community. Get your passport stamped & earn a chance to win prizes! Don't miss the **NonProfit Exhibitor area** to get the latest resources from some of our partner organizations also focused on sustainability.

EV Ride & Drive and Fleet Showcase! Visit the DEP **Drive Green table** in the Exhibit Hall and sign up to get behind the wheel of the hottest electric vehicles on the market. Take them for a spin around the Bell Works campus. Hours: **10:00am-3:00pm**. Don't forget to visit the medium & heavy duty electric fleet vehicles in the **Red Lot**, just past the R&D sign up tent, hosted by our friends at NJ Electric Vehicle Assn and NJ Clean Cities Coalition! Hours: **8:00am-4:00pm**

Sustainable Lawn Care Equipment Demos will be happening on the lawn outside outside the Ballroom all day.
