Public & Non-Profit Employees, and  
Green Team Volunteers

**\$175** All other attendees

## Empowering Change

The Sustainability Summit is a unique opportunity for change-makers across political, private and public sectors to connect on the most pressing issues we are currently facing, from making our communities more resilient to climate change, to reducing our community carbon footprints, to building necessary capacity for implementing local solutions, and more.

Join us for an inspiring day of networking and learning that will equip you with fresh ideas and new partners.

## EVENT HIGHLIGHTS

**16 SESSIONS & 3 DROP IN COACHING SESSIONS** will provide a chance to learn new skills and strategies for implementing actions and digging deeper into existing tools to make your sustainability projects a success!

**SUSTAINABILITY EXHIBIT** will connect you with the businesses, organizations and agencies to help you get your sustainability projects off the ground. Learn about new & innovative products and services hitting the market.

**CONTINUING EDUCATION CREDITS** provided. Visit [bit.ly/NJSustainabilitySummit](https://bit.ly/NJSustainabilitySummit) for more details.

**NETWORK** with mayors, municipal and school district staff, environmental commission and green team members state agency and non-profit employees, academics and businesses. Cash bar happy hour following.

**ELECTRIC VEHICLE RIDE & DRIVE AND FLEET SHOWCASE** will include the latest in electric passenger, medium- & heavy-duty vehicles. Take a passenger vehicle for a spin, and visit electric buses, vans, trucks, pursuit vehicles and more! Hosted by our friends at DEP, the NJ Electric Vehicle Association & NJ Clean Cities Coalition.

**NATIVE PLANT SALE** courtesy of East Coast Natives. Bring your seasonal plantings home!
