## Program Background

New Jersey Board of Public Utilities (“Board” or BPU”) has created a Community Energy Plan Grant (“CEPG”) program for municipalities to develop a Community Energy Plan to meet the goals of the state’s Energy Master Plan (“CEPG Program”). [New Jersey’s Energy Master Plan: Pathway to 2050](#) (“EMP”) established that community-level action is necessary to achieve the state’s goal of 100% clean energy by 2050.<sup>1</sup>

The CEPG Program will help municipalities plan for energy resilience, renewable energy, and efficiency to work toward a better environment for all residents. By using the state’s EMP as a guide, grantees will work to develop sustainable strategies that increase clean energy production, reduce energy use, and cut emissions. This grant will be available to all municipalities, with additional support and funds provided to overburdened municipalities as defined below.

The goal of the CEPG Program is to enable municipalities to review a list of suggested initiatives that will help the community identify a set of activities that will set them on a trajectory to reduce greenhouse gas emissions. The 12-month CEPG Program process is intended to support a review of potential initiatives and to select those best suited to municipal needs and opportunities. The Community Energy Plan, as defined in the “Program Summary” section below, is expected to be completed and submitted to the BPU within 12 months of the grant award.

## Program Summary

Community Energy Planning is the process by which communities collaboratively select emissions-reducing initiatives that fulfill the EMP’s goals (“Planning Process”). The Planning Process includes assembling a planning team of local municipal staff, elected officials, relevant municipal board and commission members, and community volunteers and/or green team members (“Planning Team”). This Planning Team assesses the municipality’s needs to identify the opportunities for energy resiliency,<sup>2</sup> renewable energy, and energy efficiency. Based on these identified opportunities, the planning team will need to construct a plan to effectuate these opportunities throughout their municipality (“Community Energy Plan”).

The core activity for each Planning Team is to work through the [Community Energy Plan Workplan Template](#).<sup>3</sup> The BPU’s Office of Clean Energy Equity, working with partner Sustainable Jersey, has developed the Workplan Template so that it identifies a slate of practical and impactful energy strategies that municipalities can implement. This allows municipal CEPG recipients to focus their efforts on

<sup>2</sup> “Energy Resilience” is defined by the United States Department of Energy as: “the ability of the grid, buildings, and communities to withstand and rapidly recover from power outages and continue operating with electricity, heating, cooling, ventilation, and other energy-dependent services.” United States Department of Energy, [Energy Resilience](https://www.energy.gov/eere/energy-resilience), <https://www.energy.gov/eere/energy-resilience>.

<sup>3</sup> Sustainable Jersey, [Community Energy Plan Workplan Template](https://www.sustainablejersey.com/fileadmin/media/Actions_and_Certification/Actions/Energy/Community_Energy_Workplan_Template.pdf)[https://www.sustainablejersey.com/fileadmin/media/Actions\\_and\\_Certification/Actions/Energy/Community\\_Energy\\_Workplan\\_Template.pdf](https://www.sustainablejersey.com/fileadmin/media/Actions_and_Certification/Actions/Energy/Community_Energy_Workplan_Template.pdf)(hereafter, “Workplan Template Guide”)

assessing the actions that will contribute to improving local energy performance and achieving statewide energy goals.

Using the Workplan Template as a means of effectuating the Community Energy Plan, the Planning Team will develop and determine the steps that need to be taken and a timeline for the implementation of these steps for each initiative selected as part of its Workplan Template. The Workplan Template will list key department lead and/or partner entities for accomplishing each initiative. The Workplan Template will enable the Planning Team to begin to identify potential sources of funding for implementation of the identified initiatives.

The Planning Team should engage the entire community during the Planning Process through public meetings to determine the targeted initiatives and develop a timeline for implementation. For example, a community might determine how many electric vehicle (“EV”) charging stations are currently publicly accessible and set a target for providing more EV charging stations in its community. Alternatively, a community may wish to prioritize energy efficiency for local businesses and plan an outreach campaign to help businesses take advantage of state or utility energy efficiency incentives.

**The CEPG Program does not fund implementation of projects identified by the municipality. The CEPG is to be used for creating the municipality’s Community Energy Plan itself.**

**Section A: Application Instructions, Terms and Conditions**

The application guidance in Section B below is intended only for municipalities submitting a CEP proposal for consideration by the BPU for participation in the CEPG Program.

This application form is valid only for the following CEPG Program year and application period:

**Program Year 4**

**Application Period Opening Date: June 9, 2025**

**Application Period Close Date: July 11, 2025**

**I. Minimum Qualification Requirements**

The purpose of this application is for municipalities to create a Community Energy Plan that aligns local community initiatives with the State’s EMP. All municipalities that submit a completed application for a CEPG are eligible to receive a **\$10,000** grant award. Municipalities identified as an overburdened municipality, as more fully described below in Section A, Subsection I.B are eligible for a **\$25,000** grant award. Overburdened municipalities have an opportunity to request additional funding based on specific project needs.

**A. Eligibility and Procedure**

The CEPG Program is open to proposals that meet the following minimum requirements. The applicant (“Applicant”), as defined below, must:

- 1) Be a municipality;
- 2) Submit a completed CEPG Program application in full (application is located on the BPU’s SAGE website, as described in Section B below);
- 3) Submit a completed and notarized Applicant Certification form (found in Appendix B); and
- 4) Submit a signed, dated, and approved municipal resolution documenting the governing body’s approval of the application and commitment to implement the required Community Energy Plan Planning Process with the completed application form. See Appendix C (“Form of Resolution Evidencing Municipal Support of Application”) for a form of resolution.

***B. Overburdened Municipalities Defined***

Overburdened Municipalities have been identified based on the below criteria:

- 1) The municipality has over 50% of its population living in an Overburdened Community (“OBC”) Census Block as defined by the New Jersey Department of Environmental Protection pursuant to New Jersey’s Environmental Justice Law, N.J.S.A. 13:1D-157; and
- 2) The municipality meets one or both of the following criteria (either A or B):
  - a) Over 35% of the population is living under 200% of the poverty level according to U.S. Census 2021 ACS data; or
  - b) The municipality has a distress score of 40 or higher according to the New Jersey Department of Community Affairs (DCA) [Municipal Revitalization Index](#) (MRI).<sup>4</sup>

A list of Overburdened Municipalities is in Appendix A.

<b>II. Instructions for Completing the Community Energy Plan Grant Application Form</b>
---

- 1) All questions pertaining to the CEPG Program application form should be directed to: [community.energy@bpu.nj.gov](mailto:community.energy@bpu.nj.gov).
- 2) Each municipality applying to participate in the CEPG Program must complete and submit the application form in full on the NJBPU’s SAGE website. Application guidance can be found in Section B (“Community Energy Plan Grant Application Guide”) below.
- 3) **Failure to complete all sections of the Application or to submit all required attachments will cause the Application to be deemed administratively incomplete.**
- 4) Completed applications must be submitted through the BPU’s SAGE website no later than 5:00 PM Eastern Time on the Application Period Close Date of **July 11, 2025** to be considered for a Program Year 4 CEPG.

### III. Terms and Conditions

#### **A. General Terms and Conditions**

- 1) The “Applicant” is defined as a municipality that submits a CEPG application located on the BPU SAGE website.
- 2) All applications must comply with all local, state and federal rules, regulations and laws.
- 3) By submitting an application, the Applicant acknowledges on behalf of all project participants that the information included in the application is subject to disclosure under the Open Public Records Act (“OPRA”), N.J.S.A. 47:1A-1 et seq. Based on information received, the Board and/or other state, federal, county, regional or local agencies may use aggregated information in reports and evaluations, and the geographic location may be used to update Geographic Information System (“GIS”) mapping. Furthermore, the Applicant understands that the list of approved CEPG projects will be published on the Board’s website after such time as Board Staff (“Staff”) has selected all participating Applicants.
- 4) Amendments or supplements to the CEPG application form will be made available via the New Jersey Clean Energy Program (“NJCEP”) website at [www.njcleanenergy.com](http://www.njcleanenergy.com). This application form may be modified for future application periods at any time without prior notification to Applicants.
- 5) Only applications that are deemed administratively complete by the Application Period Close Date of July 11, 2025 will be considered for participation in the CEPG Program Year 4. An application will be deemed administratively complete only if:
  - i) all questions are answered;
  - ii) all required attachments are included; and
  - iii) all required signatures are included (See Section A, Subsection II above).
- 6) At Staff’s option, Applicants will be notified if their application is deemed administratively incomplete and, thus, not eligible for consideration for Program Year 4. Please be aware that Staff is not required to provide such notification. Applicants with Applications that are not Administratively Complete may submit a new, Administratively Complete Application for consideration in the next program year (Program Year 5), without advantage or disadvantage.
- 7) The Applicant may be required to supplement the information provided in the application form upon request from the Board or Staff.

#### **B. Evaluation of Applications and Approval of Projects**

- 1) Following the Application Period Close Date, an evaluation committee will review and evaluate each application.
- 2) Applications will be evaluated for completeness to be considered for participation in the CEPG Program. Municipalities must submit a fully executed Resolution approved by the municipality’s governing body (Town Council, City Council, etc.) in support of the grant application. A form for such Resolution is located at Appendix C (“Form of Resolution Evidencing Municipal Support of Application”).
- 3) At the Application Period Close Date, Staff may reject applications that are incomplete or that do not meet a minimum standard for selection, as set forth in this Community Energy Plan Grant Application Form.

#### **C. Milestones for Approved Projects**

- 1) By accepting the CEPG, an Applicant receiving such grant (“Grantee”) agrees to complete the following scope of work:

- a) Each Grantee must establish a team for the purposes of reviewing the Strategies in the Workplan Template (see Section IV. (“Sustainable Jersey Technical Assistance and Resources” under the [“Community Energy Workplan Template”](#) and determine which Initiatives will be incorporated into its Community Energy Plan;<sup>5</sup>
    - i) CEPG planning teams in municipalities that are Overburdened Municipalities must meet with Sustainable Jersey staff within six (6) weeks of the award;
    - ii) All other municipalities must meet with Sustainable Jersey staff at least once within the first three (3) months of the award;
  - b) Within three (3) months of the CEPG award, each Grantee must submit to Sustainable Jersey and the Board a proposed budget based on the budget guidelines listed in Section A.III.E (“Use of Funds/Budget Guidelines”);
  - c) Within six (6) months the Workplan Template must be completed by all municipalities (the Workplan Template is a shared document such as a Google Sheet that all members of the planning team and Sustainable Jersey staff can access.);
  - d) Within eight (8) months, the municipality must conduct a minimum of one additional public meeting to engage the community in the creation of the Community Energy Plan;
  - e) Within twelve (12) months, the municipality must finalize the Community Energy Plan through **formal** adoption by the municipal governing body through the passage of a municipal resolution and submit a copy of the completed Plan to the Board.
- 2) If the Grantee would like to change the original budget, the Grantee must submit a formal change request (“Budget Change Request”) to the Board, at [community.energy@bpu.nj.gov](mailto:community.energy@bpu.nj.gov). The Budget Change Request must outline the original budget line item(s), the change requested, and an explanation for the change.
- 3) At the end of the Grant Term, the Grantee will be required to submit a copy of the municipal Community Energy Plan to the BPU. The Grantee will also be required to submit a copy of the resolution that their municipal governing body passed, evidencing the adoption of the Community Energy Plan. Additionally, the Grantee will be required to post the adopted plan on the municipal website and submit the link to access the plan, and submit proof of promotion of the adopted plan on the municipality’s social media channels.
- 4) Reporting requirements for the CEPG are dependent on the amount awarded:
  - a) Recipients of a \$10,000 CEPG are to submit one expenditure report at the end of the twelve (12) month Grant Term; and
  - b) Recipients of a \$25,000 CEPG are to submit three (3) quarterly reports and one (1) final report on or before the end of the twelve (12) month Grant Term.

**D. Submitting an Application**

Completed applications must be submitted through the BPU’s SAGE website no later than 5:00 PM Eastern Time on the Application Period Close Date of July 11, 2025 in order to be considered for a Program Year 4 CEPG.

**E. Use of Funds / Budget Guidelines**

**Non-Overburdened Municipalities**

If accepted, your municipality is eligible to receive a \$10,000 grant award.

---

<sup>5</sup> See Workplan Template Guide.

## Overburdened Municipalities

If accepted, your municipality is eligible to receive a \$25,000 grant award (See Appendix A for a list of overburdened municipalities).

Within 60 days of the completion of the Community Energy Plan, any remaining unused grant funds must be returned to the Board. **The Grantee has 60 days from the Grant Term end date to submit a final expenditure and programmatic report to the Board.**

**Funds may be used for any purpose related to the creation - and to the creation only - of the Community Energy Plan. This includes staff salaries, overhead, consultants, supplies, and other direct expenses.**

Funds cannot be used for implementation of projects, such as installation of EV charging stations or purchase of alternative fuel vehicles.

### F. Use of Consultants

If the Applicant intends to hire a consultant as a part of its CEPG project, once the grant is awarded and the Grantee identifies the consultant, the Grantee must provide a copy of the written agreement with the proposed consultant. Awardees are advised to consult with Sustainable Jersey staff prior to engaging a consultant as part of the Milestones element detailed in Section A, Subsection III.C.1.a.i-ii above. Municipalities wishing to utilize the services of consultants should review the Sustainable Jersey [Community Energy Plan Guide with Model RFP Template for Consultant Services](#).<sup>6</sup>

#### IV. Sustainable Jersey Technical Assistance and Resources

Sustainable Jersey is a non-profit that since 2009 has been providing tools, training, and financial incentives to support communities as they pursue sustainability programs. As a partner with the BPU Office of Clean Energy Equity, [Sustainable Jersey](#) will provide technical assistance for both Community Energy Plan Grant Applicants and Grantees with specific commitment to work closely with Overburdened Municipalities.<sup>7</sup> **To provide this assistance, all Applications and proposed budgets will be shared with Sustainable Jersey.**

Sustainable Jersey provides resources for Community Energy Planning including:

- 2) **Where can I find general guidance on how to use SAGE?** [Use the SAGE User Guide](#), which can answer things like:
  - a) How to set up an account;
  - b) How to find the grant you are working on; and
  - c) How to share the grant page with someone else to work on it.
- 3) **Do I have an account?** BPU’s SAGE grant system was debuted in February of 2025. If you haven’t signed up for an account since that time, you will need to do so now.
- 4) **Who can sign up for an account?** Anyone who is helping you fill out the application can sign up for an account. This could be a staff member, volunteer, or consultant.
- 5) **Who can help me fill out the application?**
  - a) Your organization can assign different authorized roles to account holders. Only certain roles have certain powers, such as signing documents and submitting applications. For more information, see page 4 of the general [SAGE User Guide](#).
  - b) Your organization can give other account holders access to your application so they can help fill it out. See page 20 of the [SAGE User Guide](#) (under the “Tools” section).
- 6) **How long does it take to get an account?** It can take up to 3 days.
- 7) **Do I have to have a SAM Number for a CEPG application?** No. A SAM number is a unique federal ID number given to those applying for federal grants. Where you see a box requesting a SAM number, leave it blank or use the suggested alternative.
- 8) **Account Questions:** Email [community.energy@bpu.nj.gov](mailto:community.energy@bpu.nj.gov) or [refer to the SAGE User Guide](#).

## II. Finding the CEPG Application in SAGE

- 1) The **Home** page is the portal landing page. On the home page, you will see the dashboard. From this screen, the rest of the system can be navigated. In the Dashboard:
  - a) The **My Opportunities** panel allows the user to start grant opportunity documents such as applications. This will show a list of all eligible opportunities for the user to initiate.
  - b) **My Applications** shows the user active, required tasks that have been assigned to them.
- 2) **Search** for the application in the “My Opportunities” panel.
- 3) **Select** the grant opportunity name in the “Name” column. This brings up the document initiation agreement modal with information specific to the grant opportunity and the “Proceed” or “Cancel buttons.”
  - a) Select the **“Proceed” button** to initiate the application for the grant opportunity.

## III. Filling out the Application – Information About the Municipality

- 1) **Applicant Information**
  - a) **Question 1: Applicant Agency Information:**
    - i) Municipality
    - ii) County
    - iii) Mailing Address
    - iv) Zip Code
  - b) **Question 2: Mayor’s Contact Information**

- i) First/Last Name; Phone Number; Email Address
- c) **Question 3: Program Contact Information for CEPG (Business Administrator, Municipal Clerk, etc.)**
  - i) First/Last Name; Title; Phone Number; Email Address
- d) **Question 4: Primary Municipal Fiscal Contact for CEPG (Municipal Treasurer, Finance Officer, Comptroller, etc.)**
  - i) It can be the same person as the Program Contact
  - ii) First/Last Name; Title; Phone Number; Email Address

**IV. Filling out the Application – Applicant Certification**

You may read the Applicant Certification in Appendix B. All municipal applicants **must** complete the Application Certification. The Certification will be included as a required section of the Application on SAGE. To complete it, check the boxes and e-sign the document through SAGE.

**V. Filling out the Application – Required Attachments**

**You will submit these attachments through the BPU’s SAGE system.**

<p><b>Executed Municipal Resolution in Support of Grant</b></p> <ul style="list-style-type: none"> <li>1) The Template is located in Appendix C.</li> <li>2) All municipal applicants <b>must complete</b> the Municipal Resolution.</li> <li>3) The purpose of this resolution is to affirm that the governing body approves of the municipality’s application for a Community Energy Planning Grant from the New Jersey Board of Public Utilities. ---	---

*Note: Additional attachments not reflected in the table above may be required and are identified throughout this application form.*

**VI. Submitting the Application**

- 1) There will be a tab on the left-hand side of the window to submit application.
  - 2) Once you submit, the system will let you know if there are any errors that need to be addressed.
  - 3) You will get a confirmation if the application is submitted with no errors.
  - 4) If anything else is needed for the application once it is submitted, the NJBPU will reach out to you.
- Deadline: You must submit the application in the BPU’s SAGE system on July 11, 2025.**

A representative from your municipality must sign the Applicant Certification in the Application. You will complete it online (including an e-signature) through SAGE.

### Applicant Certification

---

The undersigned warrants, certifies, and represents that:

I have been duly authorized to file this Applicant Certification on behalf of my municipality; and

I hereby warrant and certify that the information provided in this application package has been personally examined by me, is true, accurate, complete, and correct to the best of my knowledge based on information personally known to me or upon reasonable inquiry of individuals with such knowledge; and

I, on behalf of the municipality named herein, acknowledge that certain information in this application is subject to disclosure under the Open Public Records Act (OPRA), N.J.S.A. 47:1A-1 et seq., and that confidential sensitive and trade secret information should be submitted in accordance with the confidentiality procedures set forth in N.J.A.C. 14:1-12.3; and

I, on behalf of the municipality named herein, acknowledge that **submission of false information may be grounds for denial of this application, and if any of the foregoing statements are willfully false, am subject to punishment to the full extent of the law, including the possibility of fine and imprisonment.**

## Appendix C: Form of Resolution Evidencing Municipal Support of Application

### Resolution of Support from Local Governing Body Authorizing an Application to the NJCEP Community Energy Planning Grants Program

- 1) All municipal applicants **must complete** the Municipal Resolution.
- 2) The purpose of this resolution is to affirm that the governing body approves of the municipality's application for a Community Energy Planning Grant from the New Jersey Board of Public Utilities. A signed and certified resolution must be submitted with the application. This is not required language; any standard resolution in support of the application will suffice.
- 3) **Original ink/wet** signatures on all certifications are required.

The sample resolution is on the following page.

[Municipality]

RESOLUTION # \_\_\_\_\_

**RESOLUTION AUTHORIZING THE APPLICATION TO THE  
NJ CLEAN ENERGY PROGRAM COMMUNITY ENERGY PLANNING GRANT PROGRAM**

**WHEREAS**, a sustainable community seeks to ensure that its environmental, economic and social objectives are balanced and mutually supportive; and

**WHEREAS**, [Municipality] strives to assure clean land, air and water for current and future generations; and

**WHEREAS**, New Jersey’s Energy Master Plan: Pathway to 2050 (“EMP”) established that community-level action is necessary to achieve the state’s goal of 100% clean energy by 2050; and

**WHEREAS**, the New Jersey Board of Public Utilities has created a Community Energy Plan Grant program for municipalities to develop a community energy plan to meet the goals of the state’s Energy Master Plan; and

**WHEREAS**, [Municipality] is invested in developing a community energy plan to help the state achieve the goal of 100% clean energy by 2050; and

**WHEREAS**, the Community Energy Plan Grant program will help [Municipality] to plan for and invest in renewable energy and to work towards a better environment for all residents by using the state’s Energy Master Plan (EMP) as a guide to develop sustainable strategies that increase clean energy production, reduce energy use, and cut emissions.

**THEREFORE**, the [Municipality’s Governing Body] of [Municipality] has determined that [Municipality] should apply for the aforementioned Community Energy Planning Grant program; and

**THEREFORE**, [Municipality] will commit to providing staff support for the duration of the Community Energy Planning process, including for gathering of relevant data and for convening at least one public meeting.

**THEREFORE, BE IT RESOLVED**, that [Municipality’s Governing Body] of the [Municipality], State of New Jersey, authorizes the submission of the aforementioned application to the NJBPU Community Energy Planning Grant program.
