

~ UPDATED 3/31/2020 ~

Please review the list of certified municipalities to see if your municipality is currently certified in the Sustainable Jersey Certification Program. If your municipality is on the list, it is currently certified.

Certified municipalities **do not have to provide the requested green team documentation in the grant application** and will receive special consideration. **50% of the grant funds in this cycle will be reserved** for awards to be given to certified municipalities.

You can also check the certification status of a municipality using the list view of the Participating Communities map located [here](#) on the Sustainable Jersey website. A preview of the list is shown below.
